

# Career Choices

Welcome to **Career Choices**, a consumer focused career consulting service offered by Career Resources Group (CRG) Lee Hecht Harrison. We are ready to assist you with your career related needs and have the experience, resources, and confidence to guarantee your satisfaction.

CRG Lee Hecht Harrison is a career management consulting firm specializing in assisting individuals wanting to move their career forward and those experiencing career change. Since 1994 we have earned a reputation for quality, responsiveness, and personalized service.

Every individual working with CRG Lee Hecht Harrison is assigned an experienced, primary consultant for the duration of his or her services. Our philosophy includes using one-on-one coaching to help you determine career direction and then plan and launch proven strategies and tactics to reach your career goals.

## Helping You Manage Your Career

**Career Choices** program offerings are designed to give you choices – choices that enable you to build a career coaching / development / transition program that best matches your needs. You can select from a **PACKAGED** set of services or build a program from the **ALA CARTE** menu.
